《D70s》 Revision of Camera body adjustment software (J18383)

Summary

The menu of "RESET AF DEFOCUS COMPENSATION AMOUNT." was added.

How to handle for repairs is as follows:

Servicing

When cameras are carried in for repairs and after either of the following works is performed, reset as follows:

Click "RESET AF-DEFOCUS COMPENSATION AMOUNT." on the main menu of the camera body adjustment software, then follow the instructions indicated on PC screen.

- Separation of the front body from the rear body.
- Disassembly of CCD/FPC unit.
- Disassembly of the bayonet.

* Use the adjustment software (J18383) 2005-07-05 Ver.1.02 or higher version.
